An invitation to our inaugural *MSDS 'School Bus' Golf Challenge* fund-raising event

Morningson Special Developmental School is a small school located in Morningson Park, which prides itself on being a welcoming and friendly school and caters for students with moderate to severe intellectual disabilities who reside on the Morningson Peninsula. Being placed on site as a temporary school in the 80's, the school has now become part of the community and is looking to be further involved in the valuable opportunities which are on offer.

The Golf Challenge is one of a number of fundraising efforts being put in place by the small but dedicated staff of Morningson SDS. It is hoped that all of the efforts will assist to provide students with a much needed bus to access external programs. Further to this, funds will assist with resources to improve the educational and life outcomes of the young people who attend.
