

THE MORNINGTON YACHT CLUB

ESTABLISHED 1946

Bret Levenspiel

FROM THE COMMODORE : SLIPWAY 7

A slipway forum will be held on **Monday, 10 December starting 6:00pm.**

The purpose of the forum is to share with members the Board's understanding and make available the information that underpins that view. Members will be encouraged to ask questions to ensure we are *all on the same page*.

I appreciate that not all members may be able to attend the forum so the information will be made available electronically shortly after.

Members will have the opportunity to further submit feedback following the forum where it is planned to meet again (early 2019) and affirm the Board's observation having further considered member feedback.

I look forward to seeing you there.

I welcome any feedback from all our members and email is best commodore@morningtonyc.net.au.

If you prefer to call, 0411 875 502.
