FROM THE COMMODORE : SLIPWAY 9

Thankyou to all those that attended the *Slipway Forum*. It was an informative evening with a good summary on the condition of the slipway presented by Peter Dawson.

For those that did not attend the attached document will get you up to speed on what was discussed and how we will progress the matter. To that, I'd like to highlight two points.

- 1) To fully engage members we are asking you to submit your feedback officially so that it may be shared and considered. We are also mindful that members may well be positioned to document a detailed preferred direction; this is encouraged and welcomed. The feedback is due **1st February 2019**.
- 2) Industrial Divers Underwater Survey (dated 5 November 2018) and Australian Ports & Marinas Report (dated 10 December 2018) are available to members. Please contact the office if you would like a copy.

I look forward to receiving your feedback.
