

## Herreshoff 28 – Bermudan Sloop

Roghan – 0424 233 842

A beautiful example of an H28 “Tehana”. Built by John Plunkett In Perth in the early 60s to high standards:

- Hull: Jarrah below the waterline and Oregon topsides – monel screw fastened;
- Cockpit: Solid Burmese Teak;
- Cabin: Dynelled Meranti

Residing at Royal Freshwater Bay Yacht club almost its entire life, this lovely boat has been a huge part of our family for the last 6 years we have owned her, with extensive restoration performed over that time including:

- Complete motor rebuild by Minards Diesel in Sydney;
- Reframing of the hull with mahogany laminates;
- Brand new Seahawk Slipstream Folding Propeller fitted <3 years ago (\$3000)

With a large solid teak cockpit and a lovely restored original interior, this versatile yacht is ready to go, be it Club or Classic Retro Series racing, Social twilight sailing with friends or Weekends away.
