

Tuesday Tattler

Tuesday June 12th

Hi everyone,

Thirty nine Etchells competed in the ADCO Australasian Winter Series at Mooloolaba over the week-end. MYC was represented by **Magpie** Graeme Taylor 3rd, Phil Coombs **J for Jig** 16th, Graeme Alexander **Smile & Wave** 20th and Grant Chipperfield **Dark Joker** 33rd.

Chris Jackson sent the following report:

Arrived Thursday -flew in, many had done the drive up, our boat was rigged and ready for a quick polish. A quick sail that meant getting out over 2 metre breaking surf at the bar. Only 4 boats got out, but we needed to test some new sails and other new ropes. On the way out yesterday we had surf boards and jet skis around us in the surf. Not sure an Etchell is meant for that!!

Day 1 - GT sailed well in race one, and Mark Bulka (ex MYC) with Steve Young back on won the day, Phil Coombs, Dave Eickmeyer and Stuart went ok, Graeme Alexander, Errol and I had a good second race. Grant Chipperfield had side stay failure and unfortunately could not finish a race.

Day 2 - More wind and big, big seas, bloody sore!! GT won the first race, and ends the day in third place. Phil had an 8th, Grant got round twice which was good, Graeme A had two top half results. Last windy run saw two people in the water and some big wipe outs, 7 boats failed to finish.

Day 3 - GT had his chances, big shifts he ends third, Bulka with MYC's Steve Young forth, Phil Coombs 16th, Graeme A, Errol and I 20th, Grant Chipperfield 33rd.

*All boats above used local sails by Dave Eickmeyers Quantum
Still raining feels like home! Lots learnt just need to do more sailing.*

Cheers Jacko.
