

Tuesday Tattler

Tuesday 19th June

Hi everyone,

The Mid-Winter regatta was held at Sorrento, MYC was represented by Sophie Jackson and Rhett & Tyrone Gowans. Both Rhett and Tyrone missed one day of competition but Rhett still managed a third in the Laser radial class. In the Optimists Tyrone was 5th in **Tyrone's Tub** with Sophie's **Wave-Wipper** on equal points 6th. It's great to see our juniors actively competing with great success regardless of the wintry weather. Sophie is that keen she was out practicing while the AGM was in progress!

Our office staff Sarah Grant & Dave Beeson put in a huge effort to make the AGM a smooth operation. With only one position contested the ballot saw Chris Jackson elected to the position of Club Captain. Congratulations to the incoming flag officers & committee.

The Yachting Victoria Awards Night takes place at Sandringham this Friday. MYC is represented with nominations in four categories, Cherie McLean in the sailor of the year with disability, Tyrone Gowans for junior sailor of the year, MYC for yacht club of the year and MYC for Yachting Australia Training centre award.

Winter entertainment gets underway this Saturday with the trivia night, should be lots of fun! Coming up in July the first Lazy Sunday Afternoon is on the 22nd, so even if it is cold and wet outside MYC is still a warm & friendly place to gather.

Don't forget to get along to the club on a Friday evening, there is always a good crowd in the bar enjoying tasty morsels courtesy of The Rocks and a friendly chat.

Hope to see you at the club,
Richard Nichols Div. 1class captain

Message from the office:

Sheryl has organised with "Total Animal Supplies" a 5% discount to all our members on any purchases made at their stores which will then be passed back to our club - see the flyer for details.

We have received some money back from IGA Ritchies so thank you to all you shoppers!

Thankyou to everyone who came along last night to the defibrillator training, we had a great turnout & being one of the first clubs in Mornington to have one is fantastic for us! The defibrillator will be kept in the members bar area on the wall to the left as you enter along with the fire extinguisher.

We have close to 100 people coming to the Trivia night on Saturday, this is sure to be a great evening— 6.30pm for a 7.00pm start!

Tonia & Graeme Vertigan thought that some of you may be interested in what our ex commodore is up to in Croatia! -

Silly hat went to his head. (It is a sort of trophy awarded each race day for misdemeanours!!).
