Tuesday 10<sup>th</sup> April

Hi everyone,

Hopefully everyone had an enjoyable Easter break and all those who went cruising had found a safe haven when the front came through. Unfortunately our harbour claimed two more victims; Capricious and The Doctor became entangled in the storm resulting in substantial damage to both boats.

On Saturday there was an Easter trophy race. The provisional winner in division 1 was **YT2** Stuart Goo-ley & Andrew Young with Ray Harvey's **Tonic** 2<sup>nd</sup>. Keith Ross won div.2 in **Sanjuro** with Jim Watson's **Windsong** 2<sup>nd</sup> and **Total Eclipse** John Tolar & Bob Armstrong 3<sup>rd</sup>.

Joe Etherson's **Under the Pump** won the flying fifteens division from **Fly By Night** Richard Trembath. On Sunday the optimists had an aggregate race in which Ella Sharman took the honours in **Stella**, **Aqua Raider** Matthew Wood was 2<sup>nd</sup> followed by Nick Sharman's **Sea axe**.

The Access Worlds got underway yesterday in Sydney, Cherie was off to a flyer and after two races is in 4th position, Krista is currently 11th. Hopefully the girls can maintain their form over the next 8 races. This coming Saturday there is both club championship & aggregate series heats for all divisions.

The optimists have an aggregate series event on Sunday; there is also tacker and development racing courses scheduled.

There is a Sunday Social Series Race for all divisions at 1430 hrs.

Hope to see you about the club,

Richard Nichols Div.1 Class captain
