Tuesday 15<sup>th</sup> May

Hi everyone,

Finally some good news regarding the harbour!!

Denis Napthine, the Minister for Ports & David Morris the Mornington state Liberal MP were at Mornington pier yesterday to announce a \$15 million program for the reconstruction of the outer pier and the installation of wave screens along the entire pier. Have a look at our website under latest news for more information.

With a break in the weather last Thursday Steve Bardsley had a quick ring around and 8 boats were slipped throughout the day with the help of the Thursday action group. Saturday's conditions made further slipping impossible but 3 more boats were slipped yesterday almost completing slipping for the season. Again we thank all those volunteers who have made themselves available throughout the slipping process.

Last Friday evening 30 plus members gathered in the bar enjoying the ambience of MYC. The Rocks provided some tasty finger food and everyone had a great evening.

Presentation day is on the 3<sup>rd</sup> June with lunch at 12.30pm followed by the presentation of trophies & prizes at 2.30pm.

Just a reminder that the AGM is on the 17<sup>th</sup> June 2012 at 11.00am, please go to the website for Nomination, Proxy & Notice of Motion forms.

The Ladies Lunch will be held on Friday the 1st of June 2012, as usual everyone is welcome!
