Dear Members,

Subject to suitable weather we plan to hold a Working Bee on Saturday the 26th of July from 10am to 3.30 pm.

Please let myself or the office know if you can help, we'd love to see you if even for an hour.

Works to include (but are not limited to):

- Build in under front stairs for compressor, anchors and chain, training marks if room.
- Clean up retriever and put back on canvas sides.
- Clean and work on other rescue boats.
- Clean up Fevers.
- Drill and place umbrella sleeves in band stand for Sailability.
- Some general maintenance to club house.
- Clean up & paint fixed buoys.
- Opti Shed.....& much more!

Any other ideas are very welcome...

At the last ladies luncheon we were treated by a visit from "Mary Bruce", sponsor of our Youth Scholarship's Boat Restoration project. Mary provided insight to her beautiful products with each lady & gentleman receiving a sample of her signature product "That Creeme".

An evening showing & sampling will be organised in the coming month for all our gorgeous members that couldn't get to the ladies lunch. Mary is also giving 10% discount on any product with this coming back to MYC. We have details of all of Mary's products at the MYC office & 10g tubs of "That Creeme" available to purchase for \$16 – ask Sarah!

Sailability News

FROSTY OVERHAUL

Over the past few years, Frosty, the MYC aluminium tender, has become the workhorse of the Sailability Program.

Over the winter months, a few of the Sailability volunteers have taken on a major overhaul of poor old Frosty in order to get the old girl up to scratch for the new season.

The major target of their efforts is the damage to the bow section of the hull. Other maintenance items include remounting the existing seats, adding a driver seat, and refitting the false floor.

Pictured above are Mark Lauricella and Len James getting into some serious welding of the bow section.

APYC Winter Sail 2014

Seven keen winter sailors from MYC braved the weekend weather, ranging from sunshine & blue skies on the Friday turning to 11°C, rain & wind gusts up to 20 knots on the Saturday. Regardless of the weather conditions all the kids were eager to get out and sail with smiles on their faces.

A few unfortunates who capsized on the lake learnt a new term in sailing – “choc tops” and amazingly not too keen to get out of the freezing water back into their boat filled with black mud.

The regatta had intense theory and practise on and off the water over 3 days. It finished with 3 races combining all fleets in the afternoon where John Faulkner in Johnny Be Good received 1st overall and Will MacKenzie in The Force came 3rd from a fleet of 34 Optimists. Kate James in Optical Zoom followed in 6th place, Sophie Mackenzie in Pearl 12th, Spencer Ko in Coaster 14th, Jolei Spicer in Uno 19th and Jay James in Sonic Dash 27th.

The kids proudly represented their club on the water in their MYC singlets and off the water in their new hoodies. The fleet and coaches were well aware of the strong and successful representation of the MYC team. The kids are already looking forward to next year's regatta.

Social News

On Sunday the 6th of July the “Wizard and Donna McConville” came and performed to a full club house!

It was a great success with 110 guests! We gained 11 Social Memberships on the day, a fantastic result.....we are hoping to have another Music Afternoon before the start of the new season.

Friday evening at the club is a great opportunity to catch up with friends. The Rocks put on happy hour accompanied by tasty finger food, so come on down and relax and enjoy another pleasant night at MYC.
