OTB Report

It has been an exciting two weeks for our Optimist and Youth sailors at MYC.

Sunday, 8th Feb saw 21 MYC Optis, Mt Martha YC Optis, plus a 420 take to the water on our annual sail from MYC to DBYC. The morning started slowly with very little breeze and built gradually over the course of the sail.

We were lucky enough to have Dave White coaching, who led a "follow the leader" type activity, quite a sight with his coach boat being followed by a daisy chain of Optimists, all practicing their downwind gybes and body positions.

Dave took time throughout the sail to hop in individual boats, showing our sailors the correct technique while Chris Jackson talked through from the coach boat following. It was a fabulous opportunity for our youngest sailors to learn more about the art of sailing off the wind.

Arriving at DBYC, MYC sailors took part in the Starkins-Neate Interclub Trophy, hotly contested by all 3 clubs.

We are pleased to report that MYC once again holds the trophy with 2 wins each by Stephanie Lee in the Opti and Sophie Jackson & Ella Sharman in the 420 plus of course the excellent back up of the entire MYC crew to secure the win which is worked out on an aggregate score over the boats competing – WELL DONE to our sailors, such a tremendous team effort!

For a short YouTube Video that shows the goings on to DBYC have a look at the following link...

Friday, 13th of Feb, our “FUN DAY”, was an opportunity for our Junior & Youth Sailors to spend some time learning from Sophie Cizek who is currently sailing for Team SCA in the Volvo Round the World Yacht Race. Sophie is such a fabulous role model to our young sailors and has a wealth of experience, inspiring our group to follow their dreams.

THANK YOU Sophie for such a great discussion.

Saturday, 14th & Sunday 15th of Feb saw 29 Mornington Optimists competing in the Lidgett Trophy at DBYC. Even better, we brought 30 Optis back with us due to the fact that one new boat was purchased at the event and returned to MYC with us growing our “little” fleet some more.

Our MYC sailors did us proud at DBYC, and although there was not a lot of wind over the duration of the weekend, they were keen to learn further skills.

The Lidgett Trophy is a great coaching regatta and MYC was well represented with 6 of our youth sailors coaching at the event. Giving back to the sport is such an important part of the success for the future, so we thank all those who gave up their weekends to assist our youngest sailors to grow & develop.

Aside from sailing, our sailors swam, capsized boats, jumped off the back of RIBs and generally had a great time. DBYC held their annual wall sit, followed by the decider that included planking, and a push up competition. By the end, bodies were shaking trying to win the title.

A massive tug of war between the Northern and Southern yacht clubs completed the onshore activities, with the Southern end taking out the win.

We unfortunately didn’t get in any further racing on the Sunday, not too much you can do about the lack of wind, but a FUN weekend was had by all and there were many tired sailors and parents from the weekend that was.

Congratulations to ALL MYC sailors on their outstanding efforts and a special mention to the following:

- John Faulkner – 9th Advanced
- Lachlan Weber – 1st Intermediate
- James Jackson – 4th Intermediate
- Jack Eickmeyer – 5th Intermediate
- Sassy Taylor – 5th Novice Blue
- Jay James – 8th Novice Blue
- Edmund Stewardson – 9th Novice Blue
- Jacinta Byrne – 5th Novice Green
- Digby Taylor – 9th Novice Green

It is also worth noting that many of our sailors received encouragement awards and prizes for great sportsmanship, so thank you once again for doing MYC proud.
