Unfortunately our season ends with the final Harcourts Social Pursuit race this Sunday. It is requested that all boats not paid up for winter storage exit the yard by Monday evening. The cradles are being assembled on Tuesday morning and your co-operation would be appreciated.

With no sailing at the club over the Easter break a few of our Trailables braved the traffic and headed down to the Gippsland Lakes for the three races Easter regatta. The trip was well worth it with the following outstanding results:

In race 1 MYC trifected the event with Pipalini winning from Magic Pudding and Cocktail. Beau Brummell was 6th, Silver Shadow 7th and Messin About 9th.

Race 2 was won by Cocktail with Pipalini third with Beau Brummell 8th Messin About 11th and Silver Shadow 12th in the 24 strong fleet. Pipalini won the last race from Beau Brummell with Cocktail 4th. Silver Shadow was 7th and Cleanskin 9th.

It was great result for MYC sailors. Seduction's luck continued and we won the AMS & IRC divisions and were third on performance in the ORCV Port Fairy race.

The ORCV are coming to our club on Thursday May 1st at 7.30pm as part of the Beyond The Bay program. This program is not just for boat owners or sailors wanting to go ocean racing but will be of huge benefit to anyone thinking of venturing into open water or heading through the heads to cruise to Westernport or the Prom. If you are considering travelling beyond our bay in the future this night should not be missed. Having attended some ORCV information nights recently I strongly recommend you come along. The presenters have a wealth of Knowledge and may open new horizons for you as they have for the Seduction crew. The following is an extract from ORCV email.....
years our successful "Latitude Mentoring Competitor Support program, has helped many boat owners and individual sailors make this transition successfully to become regular contenders in our ocean races. We've extended the Latitude program with a number of new initiatives including a new name: Beyond The Bay program. The "Beyond the Bay" program is a series of educational evening sessions, supervised weekend on-water events and mentoring support, providing participants with the opportunity, knowledge and support needed to travel beyond Port Philip Bay (or beyond any inland waterway for that matter).

*Details of the full program for Beyond The Bay can be found on our website
here: <http://www.orcv.org.au/index.php/beyond-the-bay-home>*

In order to launch Beyond The Bay and inform as many interested boat owners and bay sailors as possible, we have taken the opportunity to partner with many of the yacht clubs on the Bay to hold a series of free Information Nights over the next few weeks, and would encourage all of our existing members to come along to the Information Night at your local club to support this initiative, and provide valuable feedback and encouragement for all sailors that are considering participating in the program.

MYC Mornington - 7:30pm Thursday 1st May, 2014

Divisions 1, 2 & 3 have their last aggregate race on Saturday and the etchells and 15s have a three race club championship regatta. On Sunday the Opti's and OTB's have a fun race and the season ends with the Harcourts Sunday Social Pursuit for all classes,

There has been a good crowd gathering at the club on Friday evenings prior to Easter. The Rocks have been putting on a Happy Hour along with some tasty finger food, come on down and enjoy a great evening at MYC.

Hope to see you there,

Richard Nichols
