For those of you that were unable to attend here is Graeme's incoming Commodore's speech...

"It is a real honour to be given & intrusted by you all in being Commodore of this great club. Next season will be my 47th year of sailing out of Mornington. I truly love this place and all it stands for. I hope I can live up to the fine standards set by my predecessors, a job made easier by an enthusiastic new committee. We have a full house – the first time for a number of

years. It's great to see that so many want to be involved in the running of our club as they share one thing in common – a love for our great club and sailing. So let's all embrace the hard work that has been done over the years that helped us get this dam flat water that we have waited so long for – probably not perfect, but better that we could have ended up with.

In moving forward post harbour, we need to clean up the balance sheet, progress with balanced considered expenditure on re-development of house and yard, the re-signing of the head lease with shire whilst maintaining our now better relationship, the signing for a new restaurant lease and keeping our strong sailing programs. We do have a good reputation for our sailing. This will be exciting as our membership is changing and will continue to as more people want to come back and be part of enjoying our flat water club. So keeping a balance between old and new; being a club for you all, keeping the MYC team spirit will be my focus.

Once again, thank you all, I am really looking forward to giving you all my best"

Graeme Alexander, Commodore
