Tuesday 25th September

Hi everyone,

Finally a hint of spring warmth after a long cold offseason, naturally the Opti's are leading the way with a big fleet out on the water yesterday honing their skills in fresh conditions on day 1 of a 3 day school holiday training camp.

MYC has been a busy place regardless of the wintery weather. A good crowd enjoyed another Lazy Sunday with the Hurricane Duo at the club on Sunday afternoon and last Wednesday we were introduced to the 8 recipients of the MYC community youth scholarship program. Tim Melville presented them all with some great Ronstan sailing gear nicely housed in a snappy Ronstan bag. We can now look forward to getting to know these young people as they commence their program at MYC.

The Rocks have been kindly provided tasty finger food to the good crowd who gathered in the bar each Friday evening throughout winter enjoying MYC camaraderie.

Slipping day is on the 7th October and crane day on the 13th, as always lots of help is required. The BBQ will be operating as usual and your participation would be greatly appreciated.

The 2013 Variety Splash is coming to Mornington

Do you want to experience Port Phillip like never before?

Do you enjoy being on the water?

Join us on the 2013 Variety Splash - a truly unique boating experience!

Docklands – Mornington – Brighton

Now in its sixth year, the Variety Splash is an annual event where the focus is all about having fun and fundraising for a very important cause.

This fun filled adventure is open to power and sail boats of all shapes and sizes. Like all Variety events, the Variety Splash has a serious side, with its primary objective to raise much needed funds to help Victorian children who are sick, disadvantaged or have special needs to live, laugh and learn.

In its first five years, the Variety Splash collectively raised over \$500,000. For those taking part in the Variety Splash, you will not only have a great time – you will have the knowledge you have helped bring sunshine into the lives of very special children.

Find out more and apply today at www.varietysplash.org.au or call Janette at Variety on (03) 8698 3925.
