YV Club Marine Youth & Junior Championships 2015

MYC is hosting the above event on the 11th & 12th of April and as part of this event Yachting Victoria are running a coaching clinic on Tuesday 7th, Wednesday 8th and Thursday 9th April.

This is once again a great opportunity to showcase our sport and raise funds for MYC - the Snapper Point Regatta held recently met these two objectives and for that we have our volunteers and members to thank.

For this regatta we are looking for help as below:

- ❖ On Monday the 6th we are looking for a couple of people to receive boats from 3pm to 6pm – please contact Chris Jackson on 0412 591 451.
- ❖ On Tuesday the 7th, Wednesday the 8th & Thursday the 9th we will sell food and drinks if we have the volunteers - anyone willing to help please contact the office.
- ❖ On Saturday 11th & Sunday 12th - on water we require skilled and unskilled people to help.
- ❖ On land we are looking for people to help - 2 hours is all that's needed on land & if that's all you can give we very much welcome that!

Thank you in advance for your time, it is very much appreciated – if you have considered volunteering before, but haven't yet got around to it, this is a

great opportunity for you to join in with the Regatta fun! - we'd love to see some new faces helping out!

If you have any questions please do not hesitate to give myself or the office a call on the below numbers.

Yours in sailing!

Chris Jackson, Rear Commodore

Our Slipway

Unfortunately our slipway is currently out of action - the General Committee held a meeting on Tuesday night with a motion put forward stating:

“In view of the evidence that the slipway is no longer functional the General Committee agree that a business case be developed with feasible options for retrieving boats out the harbour with a preference to repairing the current slipway”

We are also looking at alternative ways to retrieve the boats out of the water this winter & will be in touch with Keelboat owners very soon with an update.

Graeme Alexander, Commodore

Opti & 420 States

Over the long weekend MYC was very well represented, with most of our Junior & Youth fleets went to compete at Brighton & Sandringham for their state titles. All three days were raced in challenging conditions, with light, shifty winds. The 420's completed a full score card of 10 races with two drops, the opti open 7, intermediate 9 and green 8.
