Hi everyone,

Tuesday 26th March 13

Last Thursday the northerly and our harbour not only forced the abandonment of race 6 of the God's Kitchen twilight series but also had **The Doctor** washed ashore after breaking free from its mooring. With many boats opting for the safety of Martha Cove damage to those who remained was minimal. The weather didn't stop over 80 members enjoying another great evening at MYC.

On Saturday our harbour again limited racing with only divisions 1 & 2 keelboats able to compete. Div. 1 aggregate series race was won by **Windsong** with **Maximumm** 2nd and **Seduction** 3rd. **Windsong** leads the series from **Seduction** and **The Doctor**. **Arabelle** was successful in Div. 2 with **Adios** 2nd and **YT2** 3rd. The series leader is **Arabelle** with **YT2** 2nd and **Adios** 3rd. **Arabelle** also won the Div.2 club championship race from **YT2** and **Adios**. **Arabelle** leads the series from **YT2** and **Easterly**. In Div.1 **Seduction** won with **Windsong** 2nd and **Maximumm** 3rd. **Seduction** leads the series from **Maximumm** and **Windsong**. All events on Sunday were abandoned due to weather and harbour conditions.

There is no racing this Saturday but the Optimists and OTBs have a Trophy race on Sunday.

Unfortunately this Thursday's weather prediction is not rosy. Hopefully we will be able to sail the last race in the Gods's Kitchen Twilight series. Apart from donating \$150 per race to the club there is a \$50 voucher for the winner to enjoy at Gods Kitchen.

Ronstan Tour

Last night a Team from MYC visited Ronstan for a tour of their factory. MYC's scholarship Team, Vice Commodore Sheryl Schumacher, Shaun Miles, Michael Jackman, Ron Cady, Barbara Nash and myself enjoyed an excellent tour provided by Mornington Yacht Club member Tim Melville. Tim oozes the passion of the industry and his presentation to our youth, I believe was fantastic. Everyone was amazed at the depth of the company, the different areas of workplace and the many job opportunities that a workplace such as this can provide. We certainly hope that those who attended the tour absorbed some of Tim's advice. There was plenty of discussion in the bus on the way home,

Regardless of the weather Thursday should be a great evening at MYC. Whether we are sailing or not come on down to the club and enjoy the camaraderie of Mornington YC. Food will be available from The Rocks or bring your own and relax in the Harbour View room. There will be a raffle with Ritchie's meat tray and wines. Don't forget to get your footy tips in.

Looking forward to seeing you at the club
