Hi everyone,

We've had a busy couple of weeks since the last Tattler! – our General Committee held the "Strategic Planning Day" on Saturday the 16th May. It was a very successful & worthwhile day with most of the committee in attendance. It united the group and we zoned in on the direction of the club for the next few years. Graeme will give you an update on the findings in more detail shortly.

Our end of season function was held last Saturday night and although a little low on numbers turned out to be a fantastic evening! I've had some really good reviews of the night – the band was great and there was plenty of yummy food! Thanks again to Taryn Taylor for decorating our room beautifully too.

It's presentation day this Sunday, come along for a bar lunch from 12.30pm followed by the presentation of trophies & prizes from 2.00pm.

Then next comes our AGM on Sunday the 21st June 2015 at 11.00am – before we know it we'll be putting the boats back in the water for the start of the season!!

I'm off to *sunny (ha ha!)* England for a couple of weeks from Monday - the two Michelle's and Jan Alexander will be covering the office during the week and Molly will be here Saturday mornings too.....

That's all from the office this week, stay warm ...

Bye for now! Sarah Grant, Office Manger

MYC History Committee Monthly Catch up.....

The History Committee, is the MYC's 'Hunters and Gathers,' because they are digging, sorting and cataloguing all the historical information they can lay their hands on.

If you are reading this, and you are in possession of some knowledge and or information in the form of pictures photos cuttings film footage or just maybe still in your head, PLEASE contact one of the History Committee and arrange a meeting or interview, we will be very pleased to locate any information you can let us have, because we want the MYC 70th Anniversary to be as accurate as possible, to do that we need your input.

All information will be handled with great care, scanned and handed back, please name and date if you remember, otherwise photos can often be dated by other members.

We have already located some interesting information from the MYC archives such as the minutes of the first MYC committee meeting, these give us the foundation date of the Yacht Club in February 1946 we also have had sent to us a photo showing an extension to the yacht club, it has changed somewhat to the last photo in the Tattler of the little green shed..
