Dear Members,

Youth Restoration Flying Fifteen Launch

We had a terrific turnout on Sunday morning to partake in the launching of our restored club Flying Fifteens.

We kindly bought "Goose" for the sum of \$1.00 from Jane Walker and her family who up to about 2 years ago where sailing it at Davey's Bay Yacht Club.

"Femme Fatale" was donated from the Cosgrove family - it was last sailed by their late father at Yarrowonga Yacht Club 20 years ago.

We had a terrific little group of our youth & senior members working on these boats over the winter and earlier part of this season, often meeting up at my place on Sunday mornings. A huge thanks to Richard Trembath and the Flying fifteen fleet for getting behind this project. Richard has given up countless hours to help Sam & Michael turn this mould ridden retro '15' in to a terrific little craft that we all as members can get enjoyment out of - plus picking up some handy skills on the way!

The Restoration group have also being restoring a couple of 420's which will not be too far away now that we have rigs for them, courtesy of Albury Wodonga Yacht club.

It has been terrific to have had the support from some keen supporters:

- **Mary Bruce Skin Care** sponsored the program.
- **Tim Melville & Ronstan** supplied a huge bag of fittings.
- **Peter Delange** spray painted both of the 420's
- **Smooch Fashion & decor** helped supply bits and bobs.

Sunday was attended by Mary Bruce, major sponsor, my mother Jan who helped coordinate the program, Michelle Pickford who has been just so enthusiastic about the program, the "fifteener's" Richard, Doug, Sam & Michael who earned the first sail, Phil who has been a great supporter, Linda, Geraldine and Lyn whom are really keen to get involved in 15's.

We are trying to put together some aged boat rules to help keep costs down and being an international class there are plenty of cheap boats and gear around - just ask Michelle, Richard or myself about this great initiative.

You may be interested booking the boat for a Thursday Twilight Sail. Michelle and Tim will also use these boats in their Sail Training.

So if you already own, skipper or crew a boat or you are new to the sport you can now give a 15 a go and enjoy some fun one design class racing!

P&O Pacific Pearl's Visit to Mornington

Mornington came alive on Tuesday with the arrival of the Pacific Pearl bringing in 1800 passengers.

Above photo by Bruce Pasco, MYC member

It was great to see the club busy – we had members here for breakfast, bringing friends & cooking their own breakfast in the kitchen (a great idea!! – you should do that more often!).

Pete DeLange and Gary Wood on “Anna” took Linda Morris and guests, including David Campbell, Film & Video Producer who was filming the day, off for a closer look.

Then as the cruiselings returned from their day trips or walk up Main Street we opened up the club for visitors to enjoy before getting back on the ship.

The Pacific Pearl is coming back to Mornington on Tuesday the 18th of March so be sure to come down to Mornington & bring your friends along to enjoy the buzz of the busy harbour & of course the best views of the bay from our MYC lounge area!
