Hi everyone,

Tuesday 28th May 13

A good crowd have been enjoying the Friday evenings at the club. With The Rocks supplying tasty finger food and lots of friendly faces, the warm bar is a great place to unwind after the working week.

Our juniors continued the Icicle series at Black Rock in extremely light conditions last weekend. Nick Sharman is in second place after the weekend racing, Sophie Jackson slipped to sixth spot with Ella Sharman still twelfth. Denver James is thirteenth overall and Noa Abrahams seventeenth. Hopefully there will be better conditions next weekend.

Presentation Day is Sunday 2nd June. Come along for a 12.30pm bar lunch a trophy presentation at 2pm.

Stay warm and hope to see you at the club,

Richard Nichols
