Hi everyone

The weather conditions on Saturday caused the abandonment of all but Div.1 & 2 aggregate race. Windsong took the honours in Div.1 as did Arabelle in Div.2. With the series completed Darkside Of The Moon finished on top in Div.3 from Magic Pudding and Beau Brummell. Arabelle finished off a good season with the series win in Div 2 with Buccaneer and Easterly filling the placings. Seduction won Div.1 with Windsong 2<sup>nd</sup>. And The Doctor 3<sup>rd</sup>.

Sunday's final Harcourts social pursuit was well supported with Times R Tuff home ahead of Tub Thumper and Seduction. Anna took out the series ahead of Morning Light and Times R Tuff.

All round we have had a good season not losing too many races to the weather. Thanks to all the volunteers both on water and in the race office and tower for making it all possible and the BBQ crew who worked tirelessly throughout the year.

This Saturday is crane slipping day and the BBQ will be on hand early.

Don't forget the ORCV "Beyond The Bay" evening this Thursday at 7.30pm.

The Rocks will be putting on Happy hour on Friday evening along with some tasty finger food. The club is always a great place to relax so wander down and catch up with friends in the bar.

Hope to see you around the club

ORCV is coming to MYC this Thursday May 1—7:30pm

Targeting Keelboat Sailors who may want to learn to cruise or race beyond the limits of Port Phillip Bay

*Go out 'Beyond the Bay' and 'Live the dream, with confidence'*

**The "Beyond the Bay" program is:**

A series of educational evening sessions and supervised weekend events providing participants with the opportunity, knowledge and support needed to travel beyond Port Philip Bay (or beyond any inland waterway for that matter).

We know a lot of boat owners have extremely capable boats, as well as the dream of cruising the Australian Coast. There are also many people who do not own a boat but would love to crew on such a journey. We think it is usually a combination of the lack of opportunity, the lack of knowledge and the lack of confidence which holds them back.

The Ocean Racing Club of Victoria has the skills, the experience and the opportunity to meet those needs.

And who knows, you may just like it enough to come ocean racing.

Coming to your club on:
