

Tuesday Tattler

Tuesday 3rd April

Hi everyone,

Last Thursday we had a fun race to end the twilight pursuit season. About forty boats greeted the starter in ideal conditions, Paul Copeland in **Messing About** was first home from John Underwood's **Times R Tuff** with **Ray White Mordialloc Racing** Greg Scherwinski 3rd.

The race was a special fundraiser with crew members donating \$10 each for the purchase of a defibrillator. Thanks to their generosity the target was almost achieved. The overall series result for the combined twilight pursuit series for this season was won by Tonia & Graham Vertigan in **Beau Brummell** with **One 4 One** Alan Clark 2nd and Pete Delange's **Morning Light** 3rd.

We had Kev & Dee entertaining us on The Deck until late making it a fine ending to a great twilight season.

Saturday our unsafe harbour was the day's only winner with a northerly making launching impossible.

Sunday the optimists had two races for the club championship and aggregate 3 series. Stephanie Lee won race 3 of the aggregate in **Optigon** from **Aqua Raider** Matthew Wood with **Tyrone's Tub** Tyrone Gowans 3rd. **Tyrone's Tub** won race 4 from Nick Sharman in **Sea Axe** and **AquaRaider** 3rd. **Tyrone's Tub** won both races in the club championship series from **Sea Axe**. **Wave Whipper** Sophie Jackson was third in race 14 and **Aqua Raider** filled the podium in race 15.

Morning Light won the Sunday Social Race from **Eezof** Chris Wain with **Seduction** 3rd.

Krista & Cherie are off to Sydney for the International Access class world championship this week. We wish them well for the regatta. Thanks to all who supported the small change collection; there was \$124 in those tins. Well done!

Easter Saturday there is a trophy race for all divisions and club social series race on Sunday. The optimists have an aggregate & Easter trophy race.

Wishing you all the best for Easter,

Richard Nichols Div.1 class captain
