DISCOVER SAILING DAY POSTPONED

Unfortunately we have had to postpone our Discover Sailing Day which was scheduled for this Sunday due to busy sailing schedules leading to limited resources (the weather looks terrible too!)

We will be in contact shortly with the new date....

Hi members,

Happy New Year! I hope this finds you all well and rested after a very hectic 2014, ready to launch into another full year back on and off the water.

I have returned from my little break at the Mornington East Yacht Club, Raymond Island to find it has been far from dull here at MYC!

Team MYC has achieved some great results over the Christmas racing period:

Seduction – Richard Nichols and his team had an extremely successful series taking both line & handicap honors in the 2014 Melbourne to Hobart Westcoaster & 4th on Division 2 IRC for the Cock of the Bay - well done team, great effort and very well deserved!

Wild Oats – with Graeme Taylor on board, Line Honours Sydney to Hobart - how good was that to watch, fantastic!

Simply Fun's 1st ocean race – Phil Coombs and team should be very pleased on their 28th over the line, 20th in IRC, 6th in IRC Div 2, ORCI 21st & ORCI Div 2 6th in the Sydney to Hobart.

It looks like we are going to get a fantastic report out of WA from our 20 odd strong Youth 420 & Junior Optimist teams on their return from the Nationals with some great results.

WA results to date:.....

Nick Sharman & James Grogan continued from their 2nd place in the 2014 ISAF Sailing Championships in December last year with a fantastic 2nd Australian placing & 3rd overall in the 2015 International 420 Class Australian Championships recently held in WA.

Congratulations also to Hugo Llewelyn & Jasper Pluim who placed 6th in the 2014 ISAF Sailing Championships following this with a 9th placing in WA.

Check out our facebook page for an awesome video of our wonderful Youth – you can get to our facebook from the homepage of our website.

I am looking forward to a celebratory chat and little drink whilst listening to all their tales upon their return.

It has been busy around the club over the break with our sail training in full swing with good numbers in all our courses.

With all the celebrative news it is with great sadness to have heard that Seduction was lost on a reef south of Flinders Island, but with much relief all crew got off safely and for that they should all be congratulated.

Seduction will be sadly missed by us all as she has truly sailed herself into an iconic status and our hearts. She would have to be the hardest working boat in our fleet - she sails in nearly all our club events and is used on average 2 to 3 times a week. Richard has been more than generous with both himself and Seduction in introducing new people to our sport and club. His generosity expands to the Sailing School where he has assisted in providing sailing experiences to around 200 children.

I really hope that Richard can get in another boat soon, but as I have expressed Seduction will sail on in our hearts.
