Tuesday October 9th

With half the keelboat fleet swinging on their moorings the harbour is looking alive again heralding the coming season. The yard is a busy place this week with last minute preparations in progress for the remaining yachts prior to Saturday's launching day.

The community scholarship program is off to a fine start with the fevers on the water last week and the commencement of a power boat course last weekend. It is just great to see the enthusiasm from all those who are involved in this ground breaking community program.

BENDIGO BANK sponsors Community Youth Scholarship Program

MYC would like to thank and acknowledge the Bendigo Bank branches of Mornington and Dromana for their support to the tune of \$2,000 towards the Community Youth Scholarship Program commencing this season.

Members are encouraged to consider the **Bendigo Bank** for any upcoming banking needs in consideration for this valuable support.

Thanks, John Underwood, MYC Marketing Committee
