## Italian Dinner & Trivia Evening

Our Trivia night and dinner last Friday night was a great success with 85 people booked.

Our members Jean Sidwell, Julie Belle, Krystine & Kate Johnston & Greg Martin cooked a most enjoyable dinner and ably assisted by Alan Clark, Sheila Young & Brigitte Swallow.

A very big thank you to all these people for a great job, your efforts are very much appreciated.

Our compere for our Trivia, Scott, was a lot of fun and involved everyone in the room & kept things moving along throughout the evening. The entire evening was very successful both from a social point of view and also as a fundraiser for the Club.

Thank you to all who came along and supported the night.

Jenny Martin

Mornington Yacht Club Members,

I am Nick Sharman & I sail an Optimist. As you may know, earlier on this year I placed 10<sup>th</sup> at the Australian Optimist National Championships in Tasmania, which successfully qualified me for the International Optimist Asian championship held in Hayama, Japan from the 22-30 of August. I

am very excited to be able to compete in the event and I would like to say thankyou to the club and members for the opportunity to help me raise money for my campaign. The International Optimist Asian championship is an international event where 6 sailors from each country come together to compete. I am very excited about enjoying some challenging racing and meeting other people like me from around the world. I will look forward to sharing my experiences with you when I return from Japan.
