Important changes to the distribution of Silver and Gold Cards.

Craig Heydon, Friday, 26 July 2013

Yachting Australia and the State Associations have agreed that Yachting Australia will not issue physical cards as a matter of course to Silver and Gold card holders for the coming season.

All club members can access a printable PDF version online via mySailor. This includes your Sailor Identification Number, your club name (and other clubs you are a member of) and any Yachting Australia qualifications you hold.

The online card also provides evidence that a sailor is entitled to race in compliance with the Racing Rules of Sailing (Rule 46 Person in Charge and Rule 56 Crew).

The benefits cardholders receive remain unchanged, including Personal Accident Insurance and access to offers from Yachting Australia Loyalty Partners. You do not need a physical card to access these benefits, but you do need to have up to date information on mySailor.

To ensure a smooth transition to the online card system, all club members are asked to update their details on mySailor, in particular a current email address. A current email address will allow you to retrieve your password if forgotten. If you don't have a current email address in the system and need to retrieve your password you will need to contact the club directly to enter it for you.

It's important to note that by having a Sailor Identification Number, an individual is not a member of Yachting Australia. Your club is a member of, and pays an affiliation fee to, the State Association which in turn is a member of and pays a fee to Yachting Australia, allowing both organisations to continue to support clubs across the country in numerous ways.

The cost savings made by not mailing a physical card will be invested in developing and promoting sailing. In particular it will enable a significant investment to move the Sailing Information and Management Systems (myCentre, myClass, myClub, myWebsite and mySailor) to a new provider and platform, Sporting Pulse Ltd, a major provider of information technology solutions to many Australian sports.

It will also enable continued development and funding of the Discover Sailing Program, www.discoversailing.org.au, which aims to increase participation in sailing, and club membership.

Old Phones.....

Just a reminder to clear out your drawers for any old mobile phones. Thank you to those people that have already deposited some retired phones through the office door – very exciting! The fundraiser is going towards the replacement of junior learn to sail fleet, as after many years of good use they are getting a bit tired. For each phone MYC will receive \$3! If you would like to put a poster or flyer at your workplace, please let the office know—the fundraiser will be running until the end of Sep 2013—thank you :)
