Hi everyone

It is just eleven days to the overnight race. The start time has been brought forward to 1800 hours. There are some very capable sailors from the etchell fleet along with some of our juniors who are keen to participate in this stand out event. We need to have your intention to race in by this Thursday evening. Clear skies permitting you will be treated to a near full moon all night. For those boats that would not normally tackle this event consider taking advantage of the availability of competent crew and experience night sailing at its best.

Last Thursday Morning Light led the fleet home in race 3 of the God's Kitchen twilight pursuit series. Camilla Rose was second and Fly By Night third. Easterly had the best start for the evening winning The Rocks prize. Kiss leads the series.

Saturday saw all divisions on the start line for a trophy race. The trailables had the better of the keelboats with Beau Brummell being successful from Big Day Out and Magic Pudding.

The Harcourts Sunday Social Pursuit went to Anna with Morning Light and Lincoln Rose filling the placing's. Anna leads the series from Morning Light and Beau Brummell.

We had three representatives in the Victorian Trailable titles held at Safety Beach recently. Cocktail finished the regatta in 9th position in Div.1. Pipalini was 4th in this division and 2nd in the Castle division. The hard luck story goes to Phil Mannes in Magic Pudding, finishing the regatta equal first only to lose on a count back. Well done to all concerned and commiserations to Phil.

MYC Official Sponsor
Gods Kitchen Twilight Series 3

On Saturday there is a trophy race and the Harcourts social pursuit race on Sunday. The long weekend sees a number of Mornington boats and crews heading to regattas. The flying 15s, etchells and optimists all have Victorian championship regattas and some of our trailables are off to the Gippsland Lakes for the Marlay Point overnight race. We are off to King Island in Seduction. Hopefully our club competitors will fare well over the long weekend.

It looks like another great night on Thursday with a warm, sunny day and 12 knots from the south for race 4 of the God's Kitchen Twilight Pursuit series. The BBQ will be serving food prior to racing and food will be available from The Rocks or bring your own and relax in the Harbour View room. Come down to the club and enjoy what MYC has to offer its members and their friends. Hope to see you there.
