Hi everyone,

Tuesday 21<sup>st</sup> May 13

With the weather being so inclement, apart from hal-yards banging on masts it has been quiet around the yard at MYC. The usual suspects have been gathering for coffee in the bar during the day and a good crowd have been enjoying the Friday evenings at the club. With The Rocks supplying tasty finger food and lots of friendly faces, the warm bar is a great place to unwind after the working week.

While we have been rugging up against the cold our juniors have continued the Icicle series at Black Rock. Unfortunately Nick Sharman slipped to second place after the weekend racing, Sophie Jackson held onto fourth spot with Ella Sharman twelfth. Denver James is thirteenth overall and Noa Abrahams seventeenth. Hopefully the results will be better next weekend and maybe Nick can get back on top of the leader board.

The ORCV Apollo Bay race was a long day for all competitors beating into a very light westerly. In a close packed field Adrian Lewis finished a very respectable tenth over the line and twelfth on handicap in **Geomatic**.

**Presentation Day is Sunday 2<sup>nd</sup> June. Come along for a 12.30pm bar lunch a trophy presentation at 2.00pm.**

Don't forget to come and pick up your BABBA ticket for Saturday or contact the office if you would like it to be posted to you.

We have a new keytag provider and some social news on the next page.....

Stay warm and hope to see you at the club,  
Richard Nichols
