## Out on the water.....

Cup Weekend Racing: Saturday, first start 01:00 hrs, the ORCV Melbourne to Portland race with 33 entrants, only one from MYC, **'Seduction'** (Richard Nichols) who finished 18th after many hours of difficult sailing in 30kt winds gusting over 50. A great result for Richard and his crew. 3rd in AMS and 6th in PHC. Well done guys, Richard's helpers were Roz, Nicky, Jason, Rossco and James, a fairly late addition to the crew.

Next start 09:00 RYCV Palliser Trophy, Williamstown to Mornington 34 starters 15 of which were MYC boats. Not such a windy day on Port Phillip with the last boat finishing 9 hours and 14 minutes after the start, aptly named **'Times-r-Tuff'**. John Underwood no doubt found more holes to try to sail in than the rest of the fleet. The MYC boats certainly knew their way home and took out the first seven places in the performance division led by that old butter box **'Magic Pudding'** well done Phil Mannes, 2nd **'Messin About'** (Paul Copeland) and 3rd **Times-r-Tuff**. The AMS division with only 10 boats was won by **YT2** (Stuart Gooley and Andrew Young) Laurie White in **'Silicon Chip'** took out the 4th place. Only 19 boats finished at Mornington with the majority, up town boats, motoring home in very calm waters.

14:00 start saw 4 MYC division boats start a Trophy Race from the Tower in very, very light winds. The race had to be shortened at the Tower to get a finish before the time limit expired. Unfortunately all scored a DNF as they did not cross the finishing line from course side, more about this from the Club Captain.

The 1st Aggregate Race for Etchells and Flying Fifteens was started at 14:45 with only two F15's participating; a second race was started at 15:50. That **'Lean & Mean'** sailor Doug Bell took out both races.

Stephen Bardsley in Richard's absence. :-)

## Well Done MYC 420 Sailors

Mornington's 420 sailors had a very successful weekend of racing at Sorrento. Well done!

1st Nick Sharman

2nd Matt Bates,

3rd Stanley Austin

## Shortened Course

Sorry to see we had the old shortened course issue again on the weekend with boats unable to be given results. The club course is difficult to shorten however, upon reflection, the rules and procedures are clear.

1. "S" flag with two sound signals = Course shortened under 32.2
2. 32.2 tells us finish between the mark and staff displaying flag 'S'. So could finish either way, however we must comply with rule 28.1 Sailing the course ".....a boat shall start, leave each mark on required side in the correct order, and finish....."
3. Definition of finish in the rule book tell us ".....A boat finishes when.....crosses the finishing line from the course side...."

Notes: 1. The rounding mark becomes a finish mark once the course is shortened.  
2. The definitions cannot be changed and are their fore overriding.

Happy reading and sailing, Jacko, Club Captain

Did anyone leave behind some salad servers on Opening Day? If so they can be picked up from the office
