4 Steps..... Getting a good start.

Friday night was the 3rd session of our seminars with Chris Jackson presenting on getting race ready. It was a great session with information provided on race signals and flags and also getting the best out of a start. It proved to be a really good refresher for everyone that attended and enabled some questions on the rules to also be addressed.

The next seminar is in 2 weeks on the **11th of October at 7pm** and is all about Safety. It will be packed with information, so we look forward to seeing you all there.
