From Richard Nichols

Hi everyone,

Finally the harbour is full of boats again and we got the season underway after all the recent inclement weather. Divisions 1, 2& 3 had an aggregate series race on Saturday. **Darkside of the Moon** won Div.3 from **Beau Brummell** while in div.2 **Arabelle** took the honours from **Easterly**. **Seduction** won from **Wind-song** and **Silicon Chip** in div. 1.

Sunday saw a very successful opening day and rather orderly sail past. Steve Bardsley John Mills and Stuart Gouley received their well-earned life memberships and after an enjoyable lunch many of our guests joined us on the water for the sail past or just relaxed in the Harbor View room.

There was a Social Pursuit race which was won by **Morning Light** from **Anna** with **Smile & Wave** third. This coming Saturday Divs. 1 2 & 3 have the Williamstown to Mornington race and there is a trophy race at 1400hrs for those not going in the long distance race. The etchells and flying 15s have an aggregate and class race. The optimists and OTBs have two races on Sunday morning and Sailability will be conducted at the landing.

It is just great to see some sailing happening again.

Twilight sailing is on again on Thursday with 10 knots and sunshine predicted. Whether you are sailing or just socializing the club is a great place to be on a Thursday evening. Bring your friends and get into the spirit of the new season, food will be available from The Rocks or bring your own. There will be some great prizes in the raffle and we have **Harcourt's** sponsoring the pursuit series. Let's see lots of boats on the water and a big crowd upstairs after the race. Hope to see you around the club
