To all Div 3 Trailable boat members,

As you will be aware MYC is hosting the Opti Nationals (4th Jan to 11th Jan 2014).

This is high profile event with approx. 300 boats and an expected 1000 plus visitors, this is the largest regatta the club has ever hosted. To help run this event we are asking members to help out as volunteers and also with yard space during this period.

To that end we request all Trailable boats vacate the yard from 27th Dec to 14th Jan 2014.

As per previous correspondence there are limited berths available at Martha Cove Harbour for the time that the years is closed for those trailables that have paid for summer storage.

If you are interested and have not contacted the office, please do so immediately as spaces are limited and only available for a short amount of time.

Can any financial Div. 3 members that regularly race please notify the office by email ASAP as places are limited and is on a first come basis to confirm places.

We also have a hard stand available kindly provided by Graeme Alexander corner Watts Rd and Woodbyne Rd Mornington for storage of boats during this period.

Member Key Tags Your 2013-2014 Member key tags are now available to collect from the MYC office for all financial members.

Next Tuesday we have *Diabetes Victoria's* annual camp. 60 sailors will experience sailing in the Sailability fleet, on a keelboat and time on a powerboat. These children are aged between 12 and 15 years of age.

the count-down begins for slipping – 5th October- and there is plenty of activity at the club getting boats ready!
